

Be it enacted by the People of the State
of Illinois represented in the General Assembly:
That William Drummon be and he is hereby
authorized to build a mill dam across the
big Muddy River, at the shallow ford: provided
said mill dam does not obstruct the navigation
of said river, and provided also, the said
William Drummon owns the land on both sides
of said river where said dam shall be erected.

Passed the Senate, Feb. 23^d. 1837
J. W. Thomas jr

Clk Senate

Enrolled
N. 400

A Bill entitled

An act regulating
fish ponds in certain
townships
to authorize William
Drummond to build
a mill dam on Big
Muddy River.
