

one of them with the clerk of the county commissioners' court of Green county, and the other with the clerk of the county commissioners' court of Madison county, and the clerks aforesaid shall cause said plat or survey to be laid before the county commissioners' courts of their respective counties, at the first session of said courts, after the reception of said plats by the clerks aforesaid. And the said commissioners shall cause an entry to be made thereof on their records; and the said road so located is hereby declared a public road. The county commissioners of said counties shall cause said road to be opened at least three rods wide, and kept in repair in the same manner as other public roads by law are required to be.

Duty of county commissioners

To be a public road

SEC. 4. The said commissioners and their necessary attendants shall receive such compensation for their services out of their respective county treasuries as the county commissioners of said county may deem reasonable to and allow.

Compensation.

APPROVED 3d March, 1837.

AN ACT to locate a state road from Hardy Foster's, in Marion county, to Shelbyville, in Shelby county.

In force, 4th March, 1837

SEC. 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly,* That John A. Wakefield and Asahel Lee, of the county of Fayette, and James W. Vaughn, of the county of Shelby be, and they are hereby appointed commissioners to view, survey, and locate a road from Hardy Foster's in Marion county, to Shelbyville, in Shelby county.

Commissioners appointed.

SEC. 2. Said commissioners, or a majority of them, shall meet at the house of Hardy Forster, in Marion county, on the first Monday in June next, or within thirty days thereafter, and shall proceed to view, mark, and locate a road from said Foster to Shelbyville, in Shelby county, on the most eligible route, on the east side of the Kaskaskia river.

When and where to meet, Duty

SEC. 3. Said commissioners, or a majority of them, shall make out a true map or plat of said road, a copy of which shall be transmitted to the Secretary of State, to be filed in his office, a copy of the same shall be returned to the county commissioners' courts of the respective counties through which the same may pass, at the first term of the county commissioners' court, held after the location of said road; and the county commissioners shall allow said commissioners such compensation as they may think reasonable and just, not exceeding two dollars per day, and such allowance for chain carriers and others employed on

To make maps and where filed

Duty of court

Compensation.

said road, as they may deem reasonable and just, to be paid out of the county treasury of the counties of Fayette and Shelby.

Road to be
opened

SEC. 4. The county commissioners of the county of Shelby, and the county of Fayette, shall cause that part of the road running through their respective counties to be open and kept in repair as other State roads are.

This act to take effect and be in force from its passage.
APPROVED 4th March, 1837.

In force, 3d
March, 1837.

AN ACT to locate a State road from Wesley city, in Tazewell county, to Bloomington, in McLean county.

Commissioners
appointed, and
duty

SEC. 1. *Be it enacted by the people of the State of Illinois, represented in the General Assembly,* That Charles S. Dorsey and John O'Brien, of the county of Tazewell, and Jonathan Hodge, of the county of McLean be, and they are hereby appointed commissioners to view, survey, and locate a State road from Wesley city to Bloomington, in McLean county, running by Daniel Roberts' and R. N. Cullom's, at or near Soward's old cabin on the Mackinac river, in Tazewell county; thence to intersect the road from Versailles to Bloomington, at some suitable point on said road, thence to Bloomington.

Where to meet
and when.

To be sworn.
Oath.
Duty

SEC. 2. Said commissioners, or a majority of them, shall meet at Wesley city, in the county of Tazewell, on the first Monday in June next, or within three months thereafter, who after being duly sworn by some justice of the peace in said county, faithfully to observe the provisions of this act, shall proceed to view, survey, and locate said road, taking into consideration the local situation of the country through which the same may pass, and establish the same on the most eligible and advantageous ground, so as to make it a permanent and good road. And the said commissioners shall locate said road, and the county road now established, leading from Funk's to B. N. Cullom's, as far as they may deem it practicable, and where the said road shall not run on said county road or deviate therefrom, the same shall be annulled, unless the county commissioners may choose to have the same kept open as a county road.

Route to be
marked

SEC. 3. The said commissioners shall mark the route of the said road where it passes through timbered land, by cutting the trees and when it passes through prairie by running a good furrow with a plough.
