

Peoria July 8 1843

Gentlemen

I forgot to mention to you when
at Springfield that Mr Archibald
Job of Sylvan Grove Cass County requested
of me that he might have an opportunity
of being present at any settlement or
arbitration which might be had between
the State and Slocum Henry. He was one
of the State House Commissioners; and
you will do me a particular favor
by dropping him a line of notification
directed to Virginia, Cass County

I am most Respectfully
