

THE GAZETTE.

SAVED BY AUGUST 18, 1846.

Two interesting articles, copied from the New York Magazine, are on our pages.

THE ELECTION.

Returns come in so slowly that we are not yet prepared to form any definite opinion as to the general result.

No doubt is entertained of the election of French and Wells.

- 1st District—Robert Smith is elected by a majority of 150 to 700. 2d District—John A. McClelland, 84 and 6th Districts—1860/11.

For the General Assembly a few scattering votes have been received.

- La Salle county has elected a democrat; to wit: Glover, O'Connor and Barber; and Redlick for the Senate. Bureau, Thompson, whig.

It is thought the question of a Convention has carried.

We are gratified to be able, this week, through our columns, to repeat the imputation cast upon the moral character of Mr. Lincoln.

Mr. Lincoln is right in supposing that Mr. Cartwright circulated the story in this county, and also that he, Mr. L., lost some votes thereby.

Arrival of the Hibernian.—This steamer, which arrived at Boston on the 10th inst., brings the important intelligence of the ratification of the Oregon Treaty by the British Government.

Parliament was expected to close about the middle of August.

The Whetcutt whig makes mention of a Wheat-cut, exhibited in that county a short time since, which was not less than 40 acres of wheat in one day.

A Hundred Million Debt.—The N. Y. Commercial Advertiser says that it is now generally conceded that the Mexican war

to cost \$100,000,000. The debt of Texas, the payment of which we assume as the price of our condoning the Mexican war, is \$100,000,000.

VETO OF THE RIVER AND HARBOR BILL.

This bill, which had received mature consideration, and had been adopted by a large majority of both Houses of Congress, was, after remaining in his hands 84 days, vetoed by Mr. Polk.

I have little doubt now, that to make the same charge—to slily sow the seed in select spots—was the chief object of his mission through your part of the District.

A warm debate followed the reception of the veto message—the House, which ended for the day in ordering it to be printed.

STEAMBOAT DISASTER ON THE ST. LAWRENCE.

A serious collision of steamers occurred between Quebec and Montreal at 12 o'clock at night, on the 29th ult.

LATE FROM THE ARMY.

The brig Empress arrived at New Orleans on the 1st inst, seven days from Brazos Santiago.

When the brig left, most of the regular troops had gone to Camargo, where it is probable all are by this time.

Several fine artillery companies had arrived from the seaboard before the brig left.

THE RIVER.—Three foot water reported above Forts and thirty inches on the bars below.

LETTER FROM MR. LINCOLN.

St. Louis, August 11th, 1846.

Mr. Ford—I see in your paper of the 9th inst. a communication containing information, of which I am perhaps expected to make take some notice.

Shortly before starting on my tour through yours, and the other Northern counties of the District, I was informed by letter from Jacksonville that Mr. Cartwright was circulating the charge of infidelity against me in that quarter.

I have little doubt now, that to make the same charge—to slily sow the seed in select spots—was the chief object of his mission through your part of the District.

As to Mr. Woodward, your worthy commissioner from among us, spoken of by your correspondent, I must say it is a little singular that he should know so much about me, while, if I ever saw him, or heard of him, save in the communication in your paper, I have forgotten it.

It is my wish that you give this letter, together with the accompanying hand-bill, a place in your paper.

Mr. Ford—In your paper of the 9th inst. I saw a communication under the signature of an "Enquirer," stating that the Hon. Amos Lincoln is an avowed Infidel, and says he is a Unitarian, and has been known to show a single vote in Marshall county, for this is not only known, but is a well known fact.
