Honble A Lincoln

Dear Sir

Mr Geo Fisher of
Ottawa Illinois, is an applicant for a
commission in the Army. Mr F. was a
now commissioned officer, in my Battalion, and
under my immediate command for during
our campaigns in Mexico, and I take pleasure
in saying, that he is a young man, of education,
fine abilities, unexceptionable in his habits, and
one of the very best Officers in the Army. He
was the life and soul of his company, a compe-
ny acknowledged, amongst the best drilled & discipli-
ned in our Column, and if you can forward
his views, you may rest satisfied that you
are rendering your country a service, besides
doing a favour. to Your friend
