

To the Hon. Senate and House of Representatives
of the United States in Congress Assembled.

The Petition of Divers inhabitants of the Township
of Sadsbury in the County of Chester and State of
Pennsylvania, ~~of the one part~~ would respectfully
represent, That your Petitioners labour under
extreme disadvantage for want of a Post Road
from the Village of Penningtonville, Situate in the
Township, County & State aforesaid, on the Pennsylvania
Rail Road (a Post Office being located in said Village
G.M. Phillips P.M.) via the valley or State Road (leading
to McCall's ferry) passing Coopersville P.O. (J. Cain P.M.)
thence by said road to the Green Tree inn; thence
Northward about one mile (leaving the State Road) to
Bart P. Office, thence in a South west direction about
3½ miles entering the said State Road again at
the place of Wm W Passmore, thence westward on
said State Road about 7 miles to the Buck P.O.
(G. J. Black P.M.) in Drumore Township Lancaster
County and State aforesaid (said Buck P.O. being on
a Mail route from Lancaster to Port Deposit) & corres-
ponding petition being made from said Drumore
Township (Penningtonville in Chester and the Buck
in Lancaster Counties being the two extremes,) said
route will pass through a densely populated
and well cultivated limestone valley immediately
contiguous to Furnaces, Mills & Factories, the whole
route will embrace a distance of Eighteen (18) Miles

We earnestly petition your honorable body to
grant said Route and for a Mail to traverse the
same twice each week, and believe it will be
one of the most profitable Routes to the Department
in the County
