

To the Honorable the
Senate & House of Representatives
In Congress assembled

Your petitioners would respectfully
represent, that they suffer great incon-
-venience for the want of proper mail facilities
and would ask for an establishment
of a mail route from Manny in
Sabine Parish to Burr's Ferry a distance
of about forty miles the most direct
route would pass through settlements
nearly central of the Parish and
in your petitioners firmly believe would
be of great public utility.

We would further say that there
was a mail route established from
Fort Sepas to Burr's Ferry passing over
the same route, but was now put
into operation owing to a mistake as
to distance and in duty bounds will
ever pray,
Sabine Parish La 1848
