

Sabine Parish La

Feb. 1847

To the Honorable Body of the House of Representatives in Congress convened

We the undersigned petitioners would respectfully represent to your Honorable body that a mail rout is greatly needed commencing at Many in Sabine Parish and leading to Burys Ferry on the Sabine River with intermediate Postoffices on said rout

The distance of said rout will be Forty-five miles and runs through a thickly settled country and no mail facilities except at each end of rout

In granting your petitioners said rout you will greatly accommodate a thickly settled section of country for which your petitioners as in duty bound will ever Pray
