

We the Subscribers desirous of having a Post-Office route
 so as to supply our mails by the most convenient and
 roads, pray you to establish a Mail route from Potts-
 ville, through Sennett, Bear Mountain, Meconise, Elizabeth-
 ville to Millersburg on the Susquehanna. There is now a
 Mail route, from Millersburg through Snyders Paddock to
 Pine Grove by which our Offices are supplied, but we are
 very generally in receiving our letter from Philadel-
 phia, besides suffering other great inconveniences, but the
 first named route, would be the most convenient and
 cheapest. And by granting it - would much oblige
 a large Community - and your petitioners
