Carlyle Illinois
Feby. 6th 1849

Messrs
Lincoln & Baker
Gent.

As our townsman
B Bond Esq is an applicant for U.S. Marshall of
Illinois, it may be well for us to say that his appo=
intment would give general satisfaction to Whigs &
Democrats in this section of the State.
We consider it unnecessary for us to speak of
Mr Bond's qualifications, or merits — You both know
him well, and we can very truly say that it
is our firm conviction that he is the first choice
of the people for said Office
