A Sincere Regd

Dear friend

Some time since
I wrote you requesting you to
be so good as to inform me - whether
my recommendations - were - or -
and what disposition was made
of them - what was my prospect
of success - &c. - I have as yet recd
no answer - Will you please
write me and inform me on
the subject - you are aware I
must ^{about} feel some anxiety ~~in~~ ^{about} this
^{matter} subject - It is but natural that I
should - if any further recommendations
are necessary. I can easily obtain
them - hoping to hear from you

I am your friend
