To A Lincoln Esq

Dear Sir

I am induced to address
You at this time, although an entire stranger
from the fact that I understand from
Mr Wardlaw of this place, that he for-
-warded to You some time since a pe-
-tition to be sent by You to Washington
for to have me appointed Post Master
here - since such a move has been m-
-ade I feel sufficient interest in the
matter to wish to know what has been
done if any thing. Will You if not
to much engaged answer this and
inform me what has been done

Respectfully Yours &c
