

Chicago May 28th 1849

Dear A. Lincoln

Enclosed you will find notes
for Cash, Man & the notes. Please file them
or non. The business has been done in time, & I know
of no defects. Please get judgment.

I expect to start day after tomorrow East with
my wife, who has been confined since Nov. last, in
hopes travel may do her good - You may be aware
of the matter in court which I ought to attend
to, if anything should come up, do me the favor
to do what you can for me; get it done if pos-
sible to the best time. I have but an hour
or so time got out of court & have all
my business to arrange to leave & I necessarily
have forgotten some thing in the U. S. Court
which I ought to attend to.

Yours
Grant Goodrich
