Dear Lincoln

On yesterday I sent you my private letter to Gen^l Taylor and whilst I was writing it H. A. Thomas Esq Clerk of our court, scatched off a communication to the President and I handed it to our leading whig friends that I saw, and if I had time I could get every whig and two thirds of the Locos in our county to sign it. I sent a messenger on yesterday evening to Grass and I have no doubt but what he will send on his mite.

your friend
