Springfield, Ill. Sept 12. 1849.

Hon. Secretary of State

Dear Sir:

You perceive the object of the enclosed paper - I personally know Major Fellows to be worthy of either of the offices mentioned - The signers of the paper are of the "tip top" whigs of Illinois - One of them is now a circuit judge, one other has been such, one is <sup>now</sup> U. S. District Attorney, and the others are all lawyers of high standing - I fully inclose Major Fellows and them, reserving only, that I have already recommended S. Francis for the Secretaryship of Oregon.

Your Obedt. Servt.
