Dear

I have got the money  
on the judgment against Hon. S. S. Douglas  
\$918.91 from which is deducted your fees & mine  
400 as I understand from your letter. I con-  
clude from your letter & from what I know  
that Judge Davis awards the judgment  
to you since my late partner &  
I were employed by them in a chancery  
suit in regard to a piece of land near  
this city; the suit was unsuccessful &  
we have never got any fees. I understood  
that recently he has obtained a fee for  
conveying or quit claiming the land or  
a part of it, & I think we are entitled  
to our fees, & shall expect to be paid  
out of this money - How shall I send  
you your \$50 - or the whole and let my  
fee & that of Springwood?

Yours  
Wm Woodruff
