A Lincoln Esq.
My dear Sir

Yrs of the 27th ultmo is at hand. I have seen Mr Sullivan - I can get nothing out of him, except that he will act altogether with the Whig party, in regard to Senator and will make no pledges -

He would of course support Williams or Browning - and no doubt would prefer either of these gentlemen to any other - and I am inclined to think, though he did not say so, that you would be his next choice - and I think, that Browning & Williams, out of the question, you may rely on him - although I am not authorized to say so -

I have no pretensions for that or any other office at this time - and Browning & Williams not being in the way, I should prefer you to any other - and should be pleased to render you any service in my power

Yrs truly
A Jones
