Dear Sir

I am down here making some acquaintances in this and the adjoining Counties and find the Sovereigns a good deal divided, quite a sprinkles of Hillmore Men. — from the signs of the times, they may be called on to Choose between Buckhauer & Fremont, Hill more being out of the question.

allow me my dear fir to say that. that if ever your services were needed in a political struggle it is here in this part of Illinois Just now, to settle down, the Reasoning Hillmoreites

in a Knowledge of political
truth as it is in Freemont

It is asking too much for
you. to spend your time for
thanks pay. I trust the Executive
Committee will, if they have
not already done so make
arrangements to meet all
such contingencies, please
let me hear from you at
Bloomington, about our
prospects generally -

Respectfully Yours
