Hon. A. Lincoln:

Dear Sir:

The Republican County Central Committee, have made it obligatory upon me, as Secretary of the Committee, to "request and urge" you to be here on the 4th day of August next, to reply to Mr. Douglas, who has appointed that day to speak in this place. The leading Democrats, also, say they will be glad to have you come when Douglas does, and I trust you will not fail to do so. Please to let us hear from you immediately; for Douglas must be answered, and if you cannot come, we must try to get somebody else.

Very Truly Yours,

J. F. Alexander,
