Mentecello Ills

Dr Sir

We have de-

termined to have a Barbecue
Oct on the 6th, and a big time
generally, we wish to know from
you if Tsumholes will be here
and urge you to get him to come
if possible. we also want to know
which way, and at what time, you
will reach Mentecello, so that we can
make arrangements accordingly. You
may expect a large turn out if the
weather is propitious. Every thing
looks more favorable than when
you was here for the election
of Stickles. I wish to have a
conference with you before
you speak. Answer soon
