

Marshall, Clark Co., 14 Aug

Hon. A. Lincoln, near S. 14. 1838

Representing a large number of Republicans, interested in having you visit this place, I take the liberty to address you, asking whether it is your intention to visit us?

This county is Democratic, but there are not less than three hundred wavering voters, and there is no county in the State where you are more needed than in this.

We would be glad to know whether you ~~could~~ can come, so that if you cannot, we can make preparations and go to Paris or Charleston or near you.

Yours, Very Truly

J. A. Whitlock

Hon. A. Lincoln.
