

Springville White Co.  
Hon. A. Lincoln

Dear Sir

In the  copy  
of 1840 I had the pleasure  
of making your acquaintance  
in Carbon Co. & since  
then have remained one of  
your warmest friends &  
admirers — Circumstances  
prevent my attending the  
convention at Springfield  
as one of the Delegates from  
White Co. — but beg to intro-  
duce to you one of them  
my friend Mr. P. Rice, who  
you will find fully repre-  
sents our views & for  
the last presidential con-  
-test he was an able sup-  
porter of Mr. Fillmore &  
will be now equally able

I trust more successful  
in promoting our republic-  
can cause which here has  
a very promising aspect  
pursuing our platform  
is not too ultra.

With the best wishes for  
your personal success  
Yours respectfully  
Sydney Spring

P.S. Should the conven-  
tion feel inclined to  
give us a candidate for  
superintendent of public  
instruction, we consider  
Mr. Grace fully competent  
to fill the office with  
credit to his supporters  
& benefit to the State

Hon: A Lincoln  
Springfield  
p favor  
Mr Garrison
