

Blandonville, Oct 24. 1858

Wm. A. B. Judson:

My dear Sir

Just out of Hancock N.
Spoke three times in that county -
fight, with chances slightly in our
favor. Think Henderson will bal-
ance Schuyler, so that if we carry
Hancock, we elect Bagley -

Heard nothing new about
fraudulent votes since I wrote
by Mr. Scripps -

I shall reach Springfield on
Thursday, 28th when & when I
wish to find a letter from you
telling how the whole field looks
from your point of view -

Yours as ever
Lincoln
