

Columbus Adams Co Ky Oct 25 1858

Friend Lincoln; send the friend to
let you know that old How is yet
alive and up and a going; am still fitting
in the old whig ranks as if ever to fight
I have found no change in you as yet
and I hope never unless for the better
now abe; Will tell you what we are
doing for you in this town we
will give you a majority of 2 to 1 and
that is hard to beat; I have counted all
the legal votes and you get 2 to 1
Sutton and son fulfill the legal
ills are steadfast the Lincoln ills is the
same way but saving the floating vote;
Would a Democrat say that if they sent Jay
to Congress that he said No party
to see with that the Bucks would not
leave him and the Rep would not
and that he would be by him
self and would be of use and
he would vote for Lincoln there is many
Bucks in this County if the fact was
known now Abbe; I want to see you
and would have come to Malaga
But for my business old & Kenalog
speaks in the best terms of you
But this day don't like him
