Dear Sir

I arrived from Champaign only an
last evening & found your letter of 30th. Nov.

I called on Dr Ray today = he did not receive
your letter so he says = they have no papers except
this file & can't spare them; = (Bipells sent
for some the other day & could not be accom-
modated; = I had preserved the debate for my-
self but gladly present it to you & if it is pos-
sible I will get you another set; = one of the
papers I had lost but White had an extra one which
he gave me; = please find the full set herewith
& accept the same with my best regards; = the Express
charges are paid; = I rec'd a letter from Mr
Brittenberg concerning the "Dickey" letter; = it is very
illogical & unsatisfactory to me = I will show it to
you when I see you which will be from 25 Dec.
to Jan 4 2^o.

Your Friend as ever
