

Chicago Dec 11. 58

Hon A. Lincoln

Sir

I have hunted
the City since I saw
you for the times having
the joint discussion
of yourself & Mr. Douglas
I have found where
they are & as soon as
the person returns who
has them & now out
of town I think I shall
be able to get them
for you

Yours Respectfully

W. Goolittle

I shall know about them
in three or four days
