Friend Lincoln;

I have been endeavoring
to settle a part of your score with
Hurdley, as per enclosure. In case
he (H.) calls for the publication of
that Widdow letter, can you or
Mr H. furnish us a copy? I remember
that we had the original at one time,
and if my quotation was not in its
exact language it embraced the
spirit of it.

Yours Very Truly,
Hiram White.

Wm. A. White.
