Hon Abraham Lincoln
Springfield. Ill.
Dear Sir,

We have not
as yet received from you ^{answer} to our
letter of the 5th ult and the Directors
of this Company are quite anxious
to know what progress has been made
in our Suite against Mr. Barrett
and when we may expect to realize
something from the claim, also if
the judgement transferred to this Co
as security can be collected.

As it is of the utmost consequence
to this Company that we should know
the exact situation of this matter I
trust you will give this your im-
mediate attention and reply by
return mail

Yours Respectfully
P. Ambrose Treas.
